**A STUDENT'S CARD**

Both of you are members of the School Students' Council. Next week at the annual Decision-making meeting you have to provide ideas on how to improve the life at your school. One of you (Student A) is in favour of the idea to allow students to type all of the school tests and assignments instead of writing them by hand. Another one (Student B) thinks that it is a bad idea and tries to persuade their friend (Student A) that there are more disadvantages than advantages to this idea. Student A has the opposite opinion.

Have a conversation and argue and defend your viewpoint. Each of you must provide at least 2 arguments in favour of your opinion.

You have 2 minutes to prepare (you must not speak to each other).

You have 3 - 4 minutes to talk.
