**A STUDENT'S CARD**

Both of you are members of the School Students' Council. Next week at the annual Decision-making meeting you have to provide ideas on how to improve the life at your school. One of you (Student A) is in favour of the idea to increase a number of PE lessons (Physical Education classes). Another one (Student B) thinks that it is a bad idea and tries to persuade their friend (Student A) that there are more disadvantages than advantages to this idea. Student A has the opposite opinion.

Have a conversation and argue and defend your viewpoint. Each of you must provide at least 2 arguments in favour of your opinion.

You have 2 minutes to prepare (you must not speak to each other).

You have 3 - 4 minutes to talk.
